

**RE: Computer Science Revision**

22 March 2018

Dear parents/carers,

I am writing to inform you that your son/daughter would benefit from attending the computer science revision booster sessions.

The aim of this will be to give your son/daughter two days of support to prepare for the fast approaching examinations. The intervention will be structured into paper 1 (Thursday) and paper 2 (Friday) and focus on examination technique and the relevant materials for the course.

The days will take place on Thursday 5<sup>th</sup> and Friday 6<sup>th</sup> April 2018 and will commence at 9.00am and finish at 1pm in ICT 3 and ICT 4.

School uniform is not required and your son/daughter will be allowed to leave the premises following completion of the session at 1pm, lunch will not be provided.

There is a limited number of places, therefore these will be allocated on a first come, first served basis. Please complete the reply slip below to confirm your child's attendance on these valuable revision sessions.

Yours sincerely

Mrs M Renney  
Joint curriculum leader of ICT & Computing
