

Examination Results

The school is very proud of the examination results achieved by its students. For the past few years we have been recognised as one of the top 100 in the country for improvement at 5+ A*-C including English and mathematics, and one of the top 10% in the country for student progress during their time at the school.

With new GCSEs for maths and English, not all measures from previous years are valid for comparison, hence only the headline measures for 2017 results are shown here along with relevant results from the last 2 years
