

**KEY STAGE 4
YEAR 9 R.O.A. JULY 2018**

Dear Parent/Carer,

Please find attached a copy of your child's Record of Achievement. The purpose of this report is to assess how hard your son/daughter is working on their KS4 course and to indicate their attainment level at each subject. Attainment grades indicate the level your son/daughter could hope to achieve if current progress is maintained. The ROA provides pupils with the opportunity to review their progress to date and set targets for the future.

The list below shows some of the criteria used by staff to assess pupil effort but detailed descriptors for attitude to learning and attitude to homework grades are given separately at the end of the report. There is also a supplementary sheet at the back of the report showing your child's events for the current academic year.

- * Homework
- * Equipment and organisation
- * Presentation of work
- * Research - taking the work further
- * Meeting coursework deadlines
- * Attitude - enthusiastic, helpful, positive
- * Concentration, responsiveness in lessons
- * Pattern of test results as a measure of progress and effort

Pupils are aware of these criteria and how they apply to each of their KS4 courses. The Headteacher commends pupils with consistently outstanding attitude to learning across a range of subjects. Cases of poor or disappointing attitude to learning are fully investigated.
