PiXL Geo App

Things to know and what does it do:

The app helps to develop a deeper understanding of a range of topics covered under different exam boards.

The app assesses your son/daughter's knowledge of:

Economic Change / Development

Ecosystems

Natural Hazards

Resources (food, energy and water)

UK Physical Landscapes

Urban

Weather Hazards and Climate Change

PiXL Geo App

<u>In what ways does the app strive to develop a deeper understanding?</u>

The app is made up of several activities that do the following:

True or false/ Multiple choice – assesses raw knowledge of key skills

Sort it – assesses reasoning

Matching – assesses key words against definitions

Do it images/evidence – assesses the ability to analyse given information

Sequencing – assesses knowledge of a sequence of events

PiXL Geo App

<u>How do they access it?</u>

Your son/daughter have been given PiXL Geo App login details.

<u>How should I encourage them to use it?</u>

Following the reading of a specific text in school, your son/daughter should use the app to check their understanding across the range of activities. If your son/daughter returns to the app each week possibly for 10-20mins, this will help to reduce stress and anxiety leading up
