Dear Parent/Carer

BRIGHT BUS – 576 SERVICE: HUNGERHILL – DUNSVILLE – HATFIELD SERVICE

I am writing to inform you that the company who operate the Bright Bus have made some changes to some of its services that will take effect from Tuesday 3 January 2017.

Due to a gradual reduction in revenue and increased costs, the bus company has decided to withdraw the 576 service – Hungerhill – Dunsville – Hatfield. Although we have a number of concerns and will be contacting the bus company to explore any other options, I would urge you to read the letter from Bright Bus which has been placed on our website. I am aware that other bus services to schools are being cut due to financial constraints. However, you may wish to contact the bus company to discuss your concerns.

In the meantime, the alternative services students could use are the First South Yorkshire services, 8, 87 or 87a.

I will write to you again should there be any further developments.

Yours sincerely

H REDFORD-HERNANDEZ
