

Dear Parent/Guardian,

Re: AQA Food preparation and nutrition revision guide – £12.95

The examination board have recently produced an exceptionally good revision guide for Food Preparation and nutrition, it fits well with the 'on -line digital bundle' that students have free access to.

I am writing to request that you purchase a copy of this guide for your son/daughter as we intend to use it a work booklet and revision guide through KS4.

We are currently looking to find a supplier that will offer the school a discount as we appreciate that this is an expensive book. If school are successful in securing a better price the discount will be passed onto you.

If you have any concerns or questions regarding this, please do not hesitate to contact me.

Thank you for your continuing support.

Kind regards,

C. Wake – curriculum leader for food.
