INTERESTED IN A CAREER IN ENGINEERING?..

Open Event 8th October 2019 - Open Event 8th October 2019
Tuesday 08 October 2019

The AMRC Training Centre open days are for anyone who is interested in a career in engineering and wants to consider an apprenticeship or degree apprenticeship as the route into this exciting industry. The open event runs 4.30pm – 6pm (last entry 5:30pm)

What happens at our open event:

- Tour of 60,000sqft, £20 Million pound state-of-the-art training centre
- Meet with apprentices that were just like you 12 months ago and hear their story
- Meet the AMRC Training Centre team and ask them all your questions
- Talk about the live vacancies you can apply for
- What apprenticeships (Level 3 to 6) are available and which would suit you best
- Sign up for one of our 2019/2020 start dates and become one of the 250 apprentices that we train each year.

[Book your place today and fill in our registration form online](https://www.amrctraining.co.uk/event-details/open-event-8th-october-2019). Places are limited so we advise you book early.
