

RE: English Teaching Group Changes

01 October 2019

Dear Parent/Carer,

Since arriving at Hungerhill earlier this month, our Year 7 students have undertaken a baseline assessment during their English lessons. Together with students' SATs results and data taken from the GL Reading assessments conducted on the transition days in June, these assessments allow us to ensure that all students are in the most appropriate teaching group to ensure they make significant progress in English.

We are currently rearranging the English teaching groups accordingly, to ensure that students are placed correctly. As a department, we constantly monitor the progress of students and match them to the appropriate teaching group – a strategy that we have found supports the excellent results we achieve year on year.

Should you have any questions regarding the English group in which your son/daughter has been placed, please do not hesitate to contact:
