1 Introduction

- 1.1 On behalf of the Trust, we welcome you to the Brighter Futures Learning Partnership Trust and wish you every success here. We believe that every employee directly contributes to the growth and success of the Academies and our students, and we hope you will take pride in being a member of our team.
- 1.2 All employees of the Trust/Academy are subject to the Trust's/Academies' policies and procedures and it is the CEO/Headteacher's/Principal's responsibility to ensure the implementation of all policies and procedures within the Trust and Academies.
- 1.3 The Brighter Learning Partnership Trust induction policy applies to all employees and, as appropriate, to volunteers and agency workers who will all receive a tailored induction programme which will include appropriate information, training, observations and mentoring. Safeguarding e-safety and the Prevent Duty will feature prominently in every induction programme.
- 1.4 Governor induction is dealt with separately and overseen by the Trust team.
- 1.5 The first few weeks and months are vital to the success of any appointment. The arrangements made for introducing a new employee, volunteer or agency worker to the duties of the post, and to the Academy/Trust as a whole, provide the foundation for successful and safe contribution to the Academy/Trust. The Induction Programme is designed to help new employees, volunteers and agency workers become familiar with the requirements of their position and learn about the Academy/Trust culture, ethos and working practices effectively and efficiently so that they become knowledgeable and confident as quickly as possible. This will include access to and familiarisation with the Health and Safety and Safeguarding Policies.
- 1.6 The Induction Programme should be cross-referenced to the NQT Induction requirements for newly qualified teachers.

2 Responsibilities

- 2.1 The CEO/ Headteacher/Principal is responsible for the overall management of induction, including Newly Qualified Teacher induction across the whole Trust/Academy.
- 2.2 Headteachers/Principal/Deputy and Assistant Headteachers/Business and HR Managers are responsible for the organisation and implementation of induction for all staff ensuring that the induction takes place.

2.3 The induction process will:

- Provide information and training on the trust/academy's policies and procedures
- Provide Safeguarding/Child Protection training and assess its effectiveness
- Advise staff on how to work safely, including an awareness of common-sense practice to minimise the risk of allegations against a member of staff
- Enable colleagues to contribute to improving and developing the overall effectiveness of the academy, raising student achievement, and meeting the needs of students, parents and the wider community
- Contribute to colleagues' sense of job satisfaction and personal achievement
- Explain the trust/academy's Code of Conduct to ensure that all staff, volunteers and agency workers new to the academy understand what is expected of them at the academy and gain support to achieve those expectations
- Identify and address any specific training needs

2.4 The induction programme will include:

- An induction checklist of the policies, procedures and training to be covered
- An induction timetable including:
 - Details of help and support available
 - Details of work shadowing, if appropriate
 - A diary of induction review meetings
 - Details of other relevant individuals with responsibility for induction e.g. the designated mentor or supervisor
- Signing off induction/probation period completed or extended

2.5 The individual has responsibility, alongside their managers to ensure all items are covered. This means the individual has to monitor their checklist and raise any gaps with their manager. It is the employee's responsibility to work with key personnel in the school to ensure that they have accessed all the relevant information and policies. The inductions timeline may vary depending on the role; however the induction will be fully completed within the first 6 months of employment.
