Dear Parent/Carer

We are delighted to announce that we will be running an end of year rewards trip for **all students** who have shown a great dedication to their studies this year. Here at Hungerhill School we feel it is important to recognise those students who consistently strive, on a daily basis, to do their very best. Historically we have offered heavily subsidised places to the top 30 students in each year group. This year, we are offering **every child** who shows a great dedication to their studies a place on the trip. This is following a recent consultation with parents where feedback indicated a large majority of parents would prefer for more students to attend the trip where a financial contribution will be made from parents. Currently all students have a place on the trip. During the course of the year, your child's effort, behaviour, attitude, missed homework, attendance and punctuality will be monitored closely and could result in your child losing his/her place if school standards are not upheld. Medical reasons will be taken into consideration where attendance has been an issue. A review will be carried out at Easter and parents will be notified where their child has not met standards.

**Trip details**

Cost includes entrance to the park and travel to and from the destination. **Students will need to arrive 15 mins prior to departure time.**

Payment can be made via the parent portal on our website. This allows you to make secure card payments to us directly. A guide on how to set up your parent portal payment account can be found in the 'Parents' section of our school website. We will require a non-refundable £10.00 deposit to secure your child's place on the trip. The deadline for deposits to be paid is the **31st January 2020**. **The remaining balance must be paid by the 5<sup>th</sup> of June 2020.**

Your child will need to bring either a packed lunch or money to buy lunch. It is also recommended that they bring some money for refreshments, gifts and that they dress appropriately for a theme park trip. This would include comfortable, sturdy footwear and clothing appropriate for the weather we are due to have that day. Please note that any personal belongings your child wishes to bring such as mobile phones etc. are the pupil's responsibility.

Please ensure your child carries with them any medication they may need immediate access to such as inhalers, Epi- pens etc. We will issue a further form nearer the time where you can include any medical information that you feel we need to be aware of. If your child is required to take medication throughout the day of the trip you may wish to arrange for them to meet with a member of staff at set times to administer the medication if you feel your child is unable to correctly / safely take medication unsupervised.

If you feel you may not be able to support your child's participation in this trip for financial reasons, please make an appointment to see the Head teacher or in her absence a member of the Senior Leadership Team to discuss this.

At this time, we need to acknowledge that you are happy for your child to attend the rewards visit on the specified date for their year group. To confirm, please follow the below link and complete the requested details. We will then contact you in due course to gain final parental consent and discuss further details.
