

13<sup>th</sup> October 2016

Dear Parent/Carer,

On Thursday 3<sup>rd</sup> November year 10 will be taking part in a health and wellbeing learning carousel, delivered by various professionals and organised with the cooperation of Doncaster Council Public Health. The workshops are designed to give young people in Doncaster more information and guidance concerning the issues raised in areas such as sexual health, legal highs, body image, road safety, emotional wellbeing, and cancer.

We would like to bring to your attention some of the topics which will be included in the workshop for sexual health:

Sexually transmitted infections (transmission, testing, treatment)  
How to prevent sexually transmitted infections (including condom demonstration)  
Right to say no  
How to prevent unwanted pregnancy (contraception options and reliability)  
Emergency contraception  
Where to go for advice

Due to the sensitive nature of the sexual health topic, and also some others listed above, we appreciate that, as a parent, you may have concerns regarding some of the subjects. If you would like to discuss these concerns, or if you do not wish your child to attend one of the sessions, could you please contact Mrs L. Gratton on the school telephone number above or by email ([gratton.l@hungerhillschool.com](mailto:gratton.l@hungerhillschool.com)) by Friday 21<sup>st</sup> October so we can make alternative arrangements for them.

Yours faithfully

Mrs E Barlow  
Joint Head of Enrichment

Mrs S Davies  
Joint Head of Enrichment
