

## CONSENT FOR USING STUDENT IMAGES

Date: February 2020

Dear Parent/Carer

At Hungerhill School, we use information about your child in a number of different ways, and we'd like your consent for some of the ways we use this personal data. We set these out in more detail overleaf.

If you're not happy for us to use information in the ways we list overleaf, that's no problem – we will accommodate your preferences.

Similarly, if you change your mind at any time, you can let us know by emailing [Everley.R@hungerhillschool.com](mailto:Everley.R@hungerhillschool.com).

### Use of student photos and videos

We take photographs of students for use on our management information system. This is for safeguarding purposes.

We sometimes use these photos to help us to give people an idea of what life at our school is like, for example in the newsletter and on the school website.

Please tick the relevant boxes below, sign and return this form to school.
