

Dear Parent/ Carer

**KEY STAGE 3  
YEAR 7 S.R.G. JANUARY 2020**

Please find attached a copy of your child's Subject Review Grades report. The purpose of this report is to assess how well your child is working in each subject. The report also highlights any areas for improvement or areas of particular concern. It is important that parents and students understand the importance of effort and the value of home-learning in determining overall progress. Research shows that there is a strong link between a positive attitude to learning, regular home-learning and success in examinations.

For every subject, your child will receive grades awarded for their attitude to learning and home-learning. These grades are based on the AtoL matrix which has been included within the report. You will receive reports later in the year with information regarding your child's attainment based on class assessments that your child has completed throughout Year 7.

Continued overleaf . . . . .
