

26th February 2020

Dear Parent/Carer,

We are very pleased to invite you to a Parents' Evening on Thursday 5th March 2020 from 4.30 – 7.30 pm to discuss your child's work and progress with subject teachers. This is a very important evening as it will be an opportunity for you to meet with your child's subject teacher and we do hope that you will be able to attend.

At this event, students and parents are invited to attend a short presentation delivered by the Higher Education Progression Partnership (HEPP). HEPP is an organisation that works across the local area to encourage more children, young people and adults to consider higher education. The presentation will last no more than 30 minutes and we recommend all students and parents take advantage of this opportunity. HEPP representatives will be delivering in our Exams Hall and will be running two presentations on the evening (4pm and 7pm). Staff will be on hand to direct you to the Exams Hall when you arrive to sign in at main reception.

If you are able to attend your child will be given an appointment sheet which will be used to arrange appointment times with subject teachers. It will be a busy evening, so please do keep to the times arranged. We strongly advise that you bring your child with you for this important consultation.

In order to meet our duty under the Disability Equality Scheme, please advise us if there are any ways we can assist you in this event. I would be grateful if you could let Mrs Kenny know by telephone on Doncaster 885811 or by e-mailing to kenny.v@hungerhillschool.com. Please note that all the information provided will be treated confidentially.

We look forward to meeting you.

Yours sincerely

Mrs L Pond
