

2 June 2020**RE: Year11 Prom****Dear Parents/Carers**

We hope this letter finds all students and their families safe and well at this very challenging and uncertain time.

Over recent weeks we have received numerous enquiries from Year 11 students and parents regarding celebratory events, including the Prom. We know these events are very important to students and are special occasions that are a focal point of their final year with us. Because of this, we have avoided cancelling the event and instead waited for government guidance, in the hope that we may be able to hold the event in some capacity. Unfortunately, we have now received confirmation from Castle Park Rugby Club that our event has been cancelled due to Covid-19 and will not be able to go ahead. While we understand that students, staff members and parents will be very disappointed with this outcome, ensuring everyone's safety remains our priority.

We would like to reassure Year 11 students that we do want to provide students with an opportunity to celebrate their time at Hungerhill School together and a chance to formally say 'goodbye'. We will begin discussing ideas in the near future and will write to students and parents again once further decisions have been made.

Yours sincerely,

Mrs L Pond
Interim Headteacher

Mr D Parry
KS4 Achievement Leader
