

09 June 2020

Dear Parents/Carers,

Re: Face to Face Contact Year 9

You will be aware that schools are opening for Year 10 students. We are continuing to work remotely with students in Year 9 and would like to provide some 'face to face contact' using remote Teams Video Conferencing. This will allow year 9 students to 'meet' with their form tutor on a scheduled day after the 15th of June. The meetings will take place with no more than 4 students within a meeting. We will be asking students to set up their meeting in a communal room within the house and make sure they are dressed appropriately. Students will have the option to have the video function on or off.

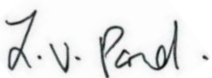

We urge all students to participate in this informal meeting. This meeting will provide students with an opportunity to 'touch base' with a key member of staff, ask any questions and alleviate any anxieties.

To facilitate the face to face Teams meeting between the student and the form tutor on an identified day after Monday 15th June, we require your consent. Please click on the link below, provide your child's name and answer yes/no to provide consent for the meeting. If you would like your child to participate they will receive an email invitation with the date, time and link to the meeting.

We look forward to hearing from you.

Please reply via <https://www.surveymonkey.co.uk/r/5LZSSX3> no later than Thursday 11th June 3.00pm.

Yours sincerely

Mrs L Pond
Interim Headteacher
