

Dear Parents/Carers

As part of the year 11 preparation for exams, this academic year we are holding a mini mock week for students in which they will sit one English paper and one Maths paper. These exams will be held during Maths and English lesson time, so there will be no interruption of other lessons and it will not impact on the students' learning.

Please find the mini mocks timetable below. Students who have access arrangements will be located in a separate room to ensure their individual arrangements are catered for.

Class teachers have informed students about the mini mocks and will be using home learning time to revise in preparation. The English paper will be English Language Paper 1, and the Maths paper will be Paper 1 Non Calculator.

After these mini mock exams, students will be issued with an analysis of strengths and areas for development to support them in their preparation for the full mock exams later in the year.

If you have any questions please contact the relevant departments.
