Dear Parents/Carers,

I am delighted to be able to write my first letter as the new Headteacher of Hungerhill School. I feel extremely honoured and privileged to have been chosen to continue to build upon the success the school has already achieved under the leadership of Mrs Redford-Hernandez.

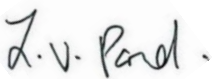

Many of you will already know me; I joined the school in 2001 and have held various roles on the Leadership Team. In 2016, I was appointed as Deputy Headteacher and I have been Interim Headteacher for the last academic year. Being a mother of two children, I am very much aware of the responsibility that my staff and I have in ensuring that the highest standard of teaching and learning is achieved. We have a hugely committed team and wonderful students, which of course, is a great place for any new Head to start!

The needs of the students are always paramount in the life and decision making within a school. I strongly believe that through the Multi Academy Trust, we can provide our students with exciting, creative and meaningful learning experiences, which build their enthusiasm for learning and help them to grow and develop positively. I think it is crucial to involve the students and their families as partners in their education. I am also keen on building a whole school community which thrives on mutual respect and values positive relationships. I know how vital working in partnership with parents really is in order for students to reach their full potential.

You can be assured that as Headteacher, I will strive to create the best education for your child/children whilst they are members of our school family.

Thank you for your continued support.

Yours sincerely,

Mrs L Pond
Headteacher
