

**KEY STAGE 3  
YEAR 8 ATL September 2020**

Dear Parent/Carer,

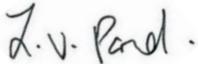

Please find attached a copy of your child's attitude to learning grades. The purpose of this report is to give an early indication, since returning to school, as to how well your son/daughter is has re-engaged with learning.

Remember that everyone can improve. It is important for all students to appreciate the need to work consistently hard in order to make progress and to reach their potential. To encourage this mindset in our students we introduced an Attitude to Learning matrix. We make no excuses for 'raising the bar' as far as aspiration, effort and consistent hard work are concerned. Students will be expected to achieve as many 4s 'striving for excellence' and 3s 'motivated for learning' as is possible in all subjects. The Headteacher commends consistently outstanding attitude to learning across a range of subjects. Cases of poor or disappointing attitude to learning are fully investigated.

Unfortunately, due to COVID, we do not believe that we are in a position, at this time to supply accurate current grades. Teachers will be assessing students during this half term, to gain a more precise picture of their current performance and we will inform you of your child's attainment and progress as soon as we can.

If you have any queries, please do not hesitate to contact us.

Yours faithfully,

Mrs L Pond  
Interim Headteacher
