Dear Parents/Carers,

Re: PE Kit

We recently reviewed the PE kit to enable us to enhance the quality of PE lessons and maintain the basic standards of uniform across school. It is essential that all students adhere to the requirements as uniform plays an important role in creating a positive climate for learning within school. The PE uniform is as follows:

- Black shorts/leggings
- **Plain**, white polo/t-shirt
- **Plain**, black sweatshirt (no large logos)
- School black ¼ zip top (a plain, black alternative is acceptable)
- School rugby shirt
- Appropriate trainers

Students can come to school in their PE kit on the days when they have practical lessons. They are allowed to wear **black joggers (no other colour is allowed)** over their shorts in order to keep them warm throughout the day: these are not part of the school PE kit. Students must also wear their school blazer **at all times** and only remove it for the PE lesson itself or as directed by a teacher. The blazer should be worn over the PE tops that are identified above. Hoodies are **not allowed** in school. If they have a **plain**, black hoodie they can put it in their bag and wear it for the PE lesson but they **must not** have it on around school. If a student wants an extra layer underneath their blazer for warmth, they should wear their school jumper or one of the outdoor tops specified in the list above. It is important to reiterate that only plain items, in the colours specified above, are allowed as part of the school PE kit. **Large print** or **multi-coloured** clothing is unacceptable.

If you have any questions regarding PE kit or uniform, please do not hesitate to contact any members of the PE department and we will endeavour to answer all queries.

Thank you for your support as we strive to ensure that we provide high quality physical education lessons in these challenging times while still meeting important basic standards across school.

Yours sincerely

Mr Hacking
Curriculum Leader for PE
