Dear Parents/Carers

Re: Key Stage 4 Curriculum Pathways Guidance Evening – Thursday 21 January 2021 4.45 pm – 6.45 pm

Over the past week, Year 8 students, with support from yourself and teachers, have started the Key Stage 4 Curriculum Pathways process. We hope that the information sent home, the resources on the school website and the remote learning lessons and tasks have been useful.

The Guidance Evening will take place this Thursday from 4.45 pm – 6.45 pm. This will be live and virtual and can be accessed via your child's Microsoft Teams account. It is advisable that you familiarise yourself with how to access this before hand – hopefully your child can help as it is the same way that they access Teams for their remote learning. It would be really great if you and your child were both present at the evening.

On the evening, you will have the opportunity to attend up to eight different subject meetings where you can ask questions about the various courses at Key Stage 4, either through the chat facility or via microphone. As the meetings will be attended by more than one set of parents at a time, and you are unable to book individual appointment times, the evening is not an appropriate forum to discuss the progress of your child.

The subjects represented are below and it is recommended that prior to the evening, you consider which meetings you would like to attend. The meetings will last for 10 minutes with a 5-minute interval between each.

GCSE Geography
GCSE History
GCSE Modern Foreign Languages
BTEC Graphic Design and Media
GCSE Psychology
GCSE Art, Craft and Design
GCSE Food Preparation and Nutrition
GCSE Computer Science
OCR National in Engineering Design
Level 2 Physical Education
BTEC Health and Social Care
Music (RSL Level 2)
OCR Creative IT and Multimedia
Drama/Performing Arts

This will be the first time that we have conducted this event virtually and whilst we anticipate it to run smoothly there may be glitches so please bear with us. We value your feedback and will be sending out an evaluation form which we hope you will complete, including a section for any further queries.

Please contact the email admin@hungerhillschool.com if you require any further guidance.

Yours sincerely
