Re: Key Stage 3 Year 7 Current Grades April 2021

Dear Parent/Carer,

The purpose of this report is to provide you with information as to how well your son/daughter has been learning since Christmas, both remotely and since their return to face to face learning in the classroom. These grades have been based on assessments that students have completed in their various subjects.

The assessments that students completed were marked and awarded a grade band which increase in terms of attainment.

Grade Bands:

1 - 3	4 - 6	7 - 9
-------	-------	-------

Increasing Level of Attainment

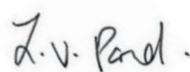

We ask you to appreciate that at this stage, these grades are the best indication that we can provide at this time of your child's attainment and is not necessarily a true reflection of their capabilities due to lockdown and possible self-isolation. As a school, we are developing a teaching and learning recovery plan that aims to address any learning gaps due to COVID so that your child will be on track to make expected progress by the end of Year 11.

Should you have any queries regarding your child's grades please contact your Achievement Leader via the email address below:

We hope that the information provided helps to keep you up to date with your child's progress. If you have any queries, please do not hesitate to contact us.

Yours sincerely
