Re: Key Stage 9 Year Current Grades April 2021

Dear Parent/Carer,

Please find attached a copy of your child's current grades. The purpose of this report is to provide you with information as to how well your son/daughter has been learning since February, both remotely and since their return to face-to-face learning in the classroom. These grades have been based on assessments that students have completed in their various subjects.

If an X result is recorded, this is due to either your child being absent for the assessment or for part of the assessment.

Since 2017, GCSE Grades have been awarded using a new scale shown below. The equivalent grade used on the previous system has been included for comparison. A grade 4 is classed a standard pass; a grade 5 is a strong pass.

New GCSE Grading	Old GCSE Grading
9	A* / A
8	
7	
6	B, C
5	
4	D, E, F, G
3	
2	
1	

Other Level 2 qualifications such as BTECs and OCR Nationals are graded using the following scale:

BTECs/OCR Nationals Grading System	New GCSE Grading Structure Equivalency
Level 2 Distinction *	Grade 9, 8, 7
Level 2 Distinction	
Level 2 Merit	Grade 6, 5, 4
Level 2 Pass	
Level 1 Distinction *	Grade 3, 2, 1
Level 1 Distinction	
Level 1 Merit	
Level 1 Pass	

In English and mathematics, the grade your child has received is their current grade and the grade they would receive if they were to sit that part of their GCSE examination at this point in time.

We ask you to appreciate that at this stage, these grades are the best indication that we can provide at this time of your child's attainment and is not necessarily a true reflection of their capabilities due to two National Lockdowns and possible self-isolation periods. As a school, we are developing a teaching and learning recovery plan that aims to address any learning gaps due to COVID so that your child will be on track to make their own expected progress by the end of Year 11.

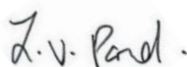

Should you have any queries regarding your child's grades please contact your Achievement Leader via the email address below:

We hope that the information provided helps to keep you up to date with your child's progress.

If you have any queries, please do not hesitate to contact us.

Yours sincerely
