

28 May 2021

Dear Parents/Carers,

Today we have bid farewell to our outgoing Year 11s. We all acknowledge the challenges this group have faced during their final 18 months, but just as we expect, they have conducted themselves admirably, showing great resilience and we wish them all the very best for the future. To have a glimpse of their final day, please view our school Twitter page @hungerhill

The gradual exit from lockdown continues to provide promise for a return to normality and it has certainly been fantastic to have the school back full of children this term. As we approach the end of what has been a very busy half term, we want to take this opportunity to thank all our parents for their ongoing support.

We do appreciate that this period continues to pose challenges for us all and we want to reiterate the importance of school and families working together. Sadly, it has been brought to our attention that a small minority of parents are posting slanderous comments on social media about the school and in particular, its employees.

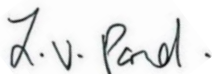

We think parents/carers should be aware that any comments made on social media websites are considered to be in the public domain and they are therefore subject to various laws including the Malicious Communications Act, Libel Laws and Protection from Harassment legislation.

The school will not tolerate social media being used to make offensive, threatening or degrading comments against the school, its employees or the children in the school. We are currently taking legal advice and will also notify the Police. Please could we advise any parents/carers that have unintentionally vented their frustration inappropriately in this forum to remove comments with immediate effect to ensure this matter is not taken further. Parents/carers making such comments will be considered a risk to the safety and wellbeing of employees and children and will be prohibited from entering the school site.

If you have a concern or would like to pass on any positive comments, we urge you to do so using our 'send us a message' form on our school 'contact us' page. We will do our best to work with you to resolve any issues.

Finally, we would like to reiterate our gratitude for the continued support of our parents, we are all in this together. We hope that staff, students and parents/carers alike enjoy some quality, family time in the Spring Term break.

Yours sincerely

Mrs L Pond
Headteacher

Mrs S Parker-Browne
Deputy Headteacher
