June 2021

Re: Key Stage 3 Year 7 Current Grades June 2021

Dear Parent/Carer,

The purpose of this report is to provide you with information as to how well your son/daughter has been learning since the last set of grades in April. These grades have been based on assessments that students have completed in their various subjects.

The assessments that students completed were marked and awarded a grade band which increase in terms of attainment.

Grade Bands:

1 - 3	4 - 6	7 - 9
-------	-------	-------

Increasing Level of Attainment

We are currently revising our assessment policy at Key Stage 3 for September 2021. This will include revising how students are graded for their attitude to learning and their progress. We hope to be able to communicate any changes with you early in the Autumn term.

As a school, we are continually developing a teaching and learning recovery plan that aims to address any learning gaps due to COVID so that your child will be on track to make expected progress. Our priority throughout the summer term has been to identify gaps in students' learning and to review the curriculum in each subject to ensure these are addressed. This has been a feature of our covid recovery strategy which features three core areas and is available through the school website (link below). You will shortly be receiving individualised reports of your child's results from the recent GL Progress Tests in English, maths and science. As part of the Year 7 COVID recovery plan, which can be found on the link below, students have not been formally assessed in these subjects. This has allowed teachers to focus on quality teaching in the classroom since the return from lockdown.

Remember that everyone can improve. It is important for all students to appreciate the need to work consistently hard in order to make progress and to reach their potential. To encourage this mindset in our students we use an Attitude to Learning matrix and students have been awarded ATOL grades in their subjects. A copy has been attached. We make no excuses for 'raising the bar' as far as aspiration, effort and consistent hard work are concerned. Students will be expected to achieve as many 4s 'striving for excellence'

as is possible in all subjects. The Headteacher commends consistently outstanding attitude to learning across a range of subjects. Cases of poor or disappointing attitude to learning are fully investigated.

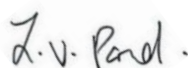

Should you have any queries regarding your child's grades please contact your Achievement Leader via the email address below:

Marriott.j@hungerhillschool.com

We will be providing resources over Teams for Year 7 students for optional summer learning. More information regarding this will be shared with parents in the last week of term.

We hope that the information provided helps to keep you up to date with your child's progress. If you have any queries, please do not hesitate to contact us.

Yours sincerely

Mrs L Pond
Headteacher

Miss H Tredgett
Assistant Headteacher
