Dear Parent/Carer

Re: Exam Results Information

We are writing to you to give you an update regarding your child's upcoming GCSE results. Over the last fortnight, you will have received a letter outlining the process to follow should your child be unable to collect their examination results on Thursday 12 August.

We are now able to inform you of the times and procedures for the collection of the results (this may be subject to change dependent upon government restrictions due to COVID, still in place at the time). Details of any changes will be sent to you as soon as possible (please check the school website regularly for information).

All students have been issued time slots in form groups, please see the table below:

Form	Time Slot	Room
H	9:00am – 9:30am	N32
U	9:00am – 9:30am	N33
N	9:00am – 9:30am	N34
G	9:30am – 10:00am	N32
E	9:30am – 10:00am	N33
R	9:30am – 10:00am	N34
I	10:00am – 10:30am	N32
L	10:00am – 10:30am	N33

If your son/daughter is unable to attend their allocated time slot, **it will not** be possible for them to move to one of the other two slots. They can however attend later that day between the hours of 11:00am and 12:00pm where staff members will still be on site to issue the results.

On Friday 18 June, we submitted grades for your child to the examination boards based on the evidence that we have collected, marked and moderated. We have produced a guide entitled '2021 Awarding Your Level 2 Grades' which is available on the school website under the section Parents, exams and revision. The link is below. This guide explains which evidence has been used to determine the proposed grade the school has put forward in each individual subject for your child.
