Dear Parents/Carers

Year 10 Virtual Parents' Evening – Wednesday 5th January 2022, 4 p.m. – 7 p.m.

We are writing to provide information regarding the upcoming parents' evening after Christmas. Given the rise in Covid cases within the local community as we head into the winter months, we have decided to hold the upcoming Year 10 evening virtually. We do, however, appreciate that this option does not fully represent all our parents/carers, therefore, we are going to investigate the possibility of holding a hybrid model where parents/carers can select either a face-to-face or virtual appointment.

I would like to invite you to attend our virtual Parents' Evening on **Wednesday 5th January 2022, 4 p.m. – 7 p.m.**

As you are aware, the school uses an online appointment booking system with video call function called 'SchoolCloud'. This is an important evening and provides you with an opportunity to discuss your child's progress since starting back in Year 10 in September, we encourage students to be involved with their parents/carers during the evening.

SchoolCloud is currently the most popular parents' evening software in the UK and allows you to choose your own appointment times with teachers or it can arrange these times for you, subject to availability. In order to minimise technical issues, we ask that the meetings take place where there is a secure and reliable Wi-Fi connection in a private area. Should either the teacher or parent/carer lose connection please log back into the meeting. Please note in order to provide all parents with an opportunity to speak to teachers, the meetings will be for a maximum of 5 minutes with each class teacher and there are 30 second breaks between appointments. Please note that for science, parents will discuss progress in all three sciences with one of their child's class teachers. Feedback last year was extremely positive but as always, there are occasionally issues with technology. If this happens, please contact the school via our send us a message form and we will ask the member of staff to get in touch with you at a convenient time to discuss your child's progress.

Appointments can be made from **Wednesday 15th November-2021, 9 a.m.** and will close on **Wednesday 5th at 3:30 p.m.**

Please visit <https://hungerhill.schoolcloud.co.uk> to book your appointments.

A short guide on how to make appointments can be found at the bottom of this letter and a further copy can be found on the school website.

You will be prompted to complete parent details. Your login requires you to use the following information regarding your child (this information must be official names and not shortened names).
