

Dear Parent/Guardian

**Year 10 Revision Guides**

The Science Department, in consultation with students, has selected a revision guide for all students studying for GSCE Double Science. Students will need to use this guide for homework which may involve reading, answering questions, note taking etc. and will find them an important element in their preparation for tests and exams.

Every student will receive a revision guide as well as additional resources which will cover the course in each of biology, chemistry and physics. The revision guide retails at £9.95 and we would like to ask for a contribution of £6.50 to help cover the costs. Should this be an issue, please do not hesitate to contact Miss Wadd or Mr Ryan. The science department has used these resources for a number of years and students have found them to be an effective learning tool.

Please could you sign and return the slip below to confirm receipt of this letter.

Yours sincerely

Mr J. Ryan  
Curriculum Leader for Science

Miss S.Wadd  
Assistant Curriculum Leader for Science

✂-----  
**REPLY SLIP:**                      To the Science Department, Hungerhill School                      (March 17/Yr 10)

**SCIENCE REVISION GUIDES and WORKBOOKS**

I acknowledge receipt of your letter concerning revision guides and workbooks and would like to make a contribution of £6.50.
