Dear Parent/Carer,

Re: Revision Guides

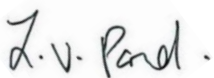

To support your child as they progress through their Key Stage 4 studies, we would like to offer all students the chance to buy the relevant revision guides for their programme of study. Therefore, we have compiled a list of all the relevant formal revision guide publications for the courses we provide at Hungerhill School. These can be ordered through the school to save money against the recommended retail price. Please sit down with your child and look through the attached list together and discuss which ones would be helpful to support them with their revision at home. If there is no guide listed for a particular subject then no guide has been recommended by the department, or the teacher will be providing their own revision materials.

If you would like to buy the revision guides, please purchase via our Pay360. Please discuss with your child to ensure that only those guides applicable to their studies are purchased, using the app to order and pay for items. You can use the link here to access the Pay360 homepage www.PAY360educationpayments.com Once signed in, the resources can be found in the exams and lessons section.

Following parental feedback, we will also be trialling selling the revision guides at the main school reception on Monday 7 February between 15:30-17:30. To purchase these on the night, please complete the order form attached and bring to reception with a method of electronic payment (card)

Any revision guides which are purchased on Pay360 can be collected from the main school reception on Monday 7 February between 15:30 and 17:30 or weekly on a Friday during the school day.

Yours sincerely

Mrs L Pond
Headteacher
