

24 February 2022

Dear Parent/Carer,

Re: Year 7 Learning Journey

Please find below the Spring Term 2 Learning journey for your son/daughter. This provides an overview of the topics your son/daughter will cover in each of their subjects so that you can effectively support them and discuss learning at home. A breakdown of these topics will be provided to students and inserted in their exercise books. Additionally, Long-Term Plans that provide an overview for each subject can be found under the 'curriculum' section of the school website.

Year 7 – Spring Term 2 – Learning Journey

Subject	Topic(s)
English	Now or Never Bali Rai inspired reading and creative writing
Maths	Angle facts Solving equations Ratio
Science	Chemical substances
Art	Abstract Art - Paul Clee and Wassily Kandinsky
DT - Engineering	Introduction to Computer Aided Design (CAD)
DT - Food	'Shape it, Bake it'
Drama	Shakespeare – Romeo and Juliet
Geography	Global issues – creating global citizens
History	Enquiry – What made a successful medieval king?
ICT	Computer hardware and introduction to communication systems
Modern Foreign Languages - French	En Classe (School)
Modern Foreign Languages - Spanish	Mi tiempo libre (My free time)
Music	Melody
Physical Education	Students will continue to study a range of practical activities. This term will include units of work focussing on Health-Related Fitness, Football, Basketball and Dance
PSHE	British values – respect, prejudice and discrimination

Students will also continue to have a lesson each fortnight of Accelerated Reader and Reciprocal Reading that will further develop their reading ability and comprehension.

Below are further reminders regarding Home Learning and upcoming key dates that have previously been communicated.

Home Learning

Our home learning policy is built around the importance of retrieval to embed the knowledge and skills students learn in lessons. Home learning will be set by teachers every 2-5 lessons and all home learning tasks will be set through 'Assignments' on Microsoft Teams. Most home learning tasks will be retrieval tasks on Microsoft Forms, for example a multiple-choice quiz or an exam-style question. Students are expected to record brief details of the task in their planner, along with the completion deadline. We ask for the support of parents/carers in checking your child's planner and assignments on Teams to encourage them to keep on top of the home learning tasks they have been set. Microsoft Teams can be accessed on any device (such as a mobile phone, gaming console, PC, laptop, tablet etc), however if students do not have access to an electronic device on which to complete the home learning tasks, home learning support sessions will run daily from 3.10-3.40pm in IT4. We are also launching our Hungerhill Study Skills initiative with students this week which will provide students with a range of strategies that they can use to support their learning and understanding of key knowledge.

Assessment Reporting and Recording

You will be aware that we use three different forms of assessment at Hungerhill to assess understanding and inform planning. Low Stakes assessments involve the home learning quizzes mentioned above in addition to quick, informal assessments that take place each lesson – for example the questioning posed in lessons by the teacher and every lesson starting with a 'Do Now' activity that focuses on the understanding of previous learning. Medium Stakes assessments are undertaken at the end of each topic/unit of work and are used to assess students understanding of the knowledge from that period of learning and the skills they have developed. Your child may refer to these as Check 20s, Progress Checks or STARS assessments. Finally, High Stakes assessments are those assessments carried out at set points throughout the year to assess all learning undertaken to that point and to provide a **current working level** for all students. These are reported home along with updated information regarding students' Attitude to Learning (ATOL), home learning, attendance and conduct information such as the number of achievement and behaviour points received throughout the academic year.

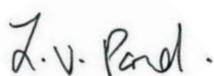

Please note the forthcoming important dates for Year 7 students:

- 05.05.22: ATOL grades and subject grades reported home
- 18.05.22: Subject Teacher Parents' Evening
- 11.07.22: GL Progress Tests all week
- 27.07.22: ATOL grades and subject grades reported home

If you have any questions about any of the contents of this letter or in general regarding your Year 7 child, please don't hesitate to contact their Achievement Leader Mrs Marriott or other member of staff via the 'Send us a Message' function of the school website, clearly denoting the intended recipient.

As mentioned in the Hungerhill Highlights Newsletter, we love to celebrate the achievements of our students, both in and outside of school. If your child has achieved something you would like to tell us about and you are happy for us to promote this in our assemblies, on our Twitter account, as a Hungerhill Highlight article and on our website, please [click here](#) to provide further details.

Yours sincerely

Mrs L Pond
Headteacher

Mr P Storey
Deputy Headteacher

Mrs J Laidlaw
Deputy Headteacher

Hungerhill School is part of the Brighter Futures Learning Partnership Trust
Brighter Futures Learning Partnership Trust is an exempt charity regulated by the Secretary of State for Education.
