Dear Parent/ Carer,

This is a polite reminder that the school has arranged a whole school trip to Alton towers.

We are delighted to announce that we will be running an end of year rewards trip for **all students** who have shown a great dedication to their studies this year. Hungerhill School feels it is important to recognise those students who consistently strive, on a daily basis, to do their very best. This year, we are offering **every child** who shows a great dedication to their studies a place on the trip. Currently all students have a place on the trip. During the course of the year, your child's effort, behaviour, attitude, attendance and punctuality will be monitored closely and could result in your child losing his/her place if school standards are not upheld. Medical reasons will be taken into consideration where attendance has been an issue. It is anticipated that the vast majority of students will be eligible for the trip.

### **On the day**

Your child will need to bring either a packed lunch or money to buy lunch. It is also recommended that they bring some money for refreshments, gifts and that they dress appropriately for a theme park trip. This would include comfortable, sturdy footwear and clothing appropriate for the weather we are due to have that day. Please note that any personal belongings your child wishes to bring such as mobile phones etc. are the student's responsibility.

Please ensure your child carries with them any medication they may need immediate access to such as inhalers, Epi-pens etc. If your child is required to take medication throughout the day, you may wish to arrange for them to meet with a member of staff at set times to administer the medication if you feel your child is unable to take medication unsupervised correctly / safely.

If you have any questions or queries, please contact us by using the 'Send Us a Message' form on the school website. We look forward to taking the students on this visit.

Many thanks,

Mrs Laidlaw  
Deputy Headteacher & Designated Safeguarding Lead
