

24 May 2022

Dear Parent/Carer,

**Re: Careers Trip – NHS We Care into the Future Event, Doncaster Dome – Friday 1 July 2022**

On Friday 1 July we are taking all Year 8 students to the 'NHS We Care into the Future' Careers event at Doncaster Dome. The event will feature nurses, doctors and other health professionals representing a wide range of career and opportunities within local services and will provide an insight into the patient's journey through a hospital, with a number of stalls, stands and interactive booths. At DBTH alone, there are over 250 different roles, from patient-facing clinicians to those in crucial back-office functions. This is an opportunity for students to discover what the NHS and public sector has to offer them as they look towards their future career path.

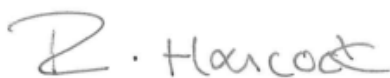

**Students will be leaving school after lunch and will return to school at approximately 3:45pm** (transport is provided). Unfortunately, the provider has not got the capacity to host all Year 8 students in the morning, so this means a later finish time for some students. We apologise for the inconvenience but feel the opportunity for students is too good to miss.

Could you please complete the following Microsoft Forms Link below to give permission for your son/daughter to attend, deadline for completion is **Monday 6 June 2022**. It is crucial we receive permission for all students, so they don't miss out on this event.
