Dear Parents/Carers,

Re: School Uniform

The school attaches great importance to appropriate dress. It helps to establish a feeling of community and to develop the personal presentation skills of students. Uniform is, therefore, not an option; it is a necessity.

We all recognise that the cost of living is on the rise and the school does not wish to add to current financial pressures by mandating compulsory uniform that is unaffordable. Working closely with our current supplier, Schoolwear Solutions by Cliffs, we are pleased to announce they are now able to offer many garments across their updated range at a lower price than last year. We are also launching a new outdoor sports top and polo shirt for PE. These new sportswear items are optional and are also being offered at a lower price than last year. Cliffs are also now offering the old rugby tops and polo shirts at the reduced price as well.

The only compulsory uniform items are the school blazer and tie. These are only available from Cliffs.

The attached uniform price list gives a more detailed breakdown. Cliffs have asked that uniforms are ordered by **Sunday 31 July** to ensure your order arrives before term begins. Hungerhill School uniform can be ordered in store or online at www.schoolwearsolutions.com. Simply select Shop by School and type in Hungerhill in the search bar. Cliffs are also offering **EXTRA** opening hours exclusively for new Year 7 Hungerhill students on Sunday 17 July, Tuesday 19 July and Monday 25 July. More details are included in the attached letter from Cliffs.

You may of course wish to source non-compulsory items from other suppliers. If you do, the school will ask that the type/cut of the garment is **not** marked as **Slim fit, Skinny or Tapered** and that skirts are no more than three fingers above the knee.

In addition, Students must wear 'sensible shoes' that are suitable and safe to wear around Hungerhill and in lessons. This means that shoes must be plain black, leather-type shoes. There must not be any colourful trim or logos on shoes.

We politely urge parents/carers to support the school by following this guidance on uniform and shoes. This will be enforced on the school gate by Senior Leaders and by Form Tutors in form time. **Any uniform items or shoes which do not follow this guidance will need to be replaced, which is an additional cost to parents/carers.**

More information about our school uniform policy can be found on the school website at www.hungerhillschool.com under the Parents section.

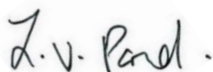

Please find below a list of equipment which is essential for school and which all students are expected to have. Students in Years 7 - 11 will have daily equipment checks by their Form Tutor and Subject Teachers to ensure that they have these items with them and are thus able to take an active part in their lessons.
