## Core Values

Throughout your time at Hungerhill School we aim to prepare you academically, socially and personally for the opportunities, challenges and responsibilities of life in the 21st century. We want you to become a well-rounded individual who makes a positive contribution to the school and community you live in. That's why we have developed Hungerhill's Core Values. We believe that if you demonstrate these 5 qualities throughout your time at Hungerhill you will become more confident and better prepared for life beyond Hungerhill.

Respect

Resilience

Excellence

Care

Honesty

### What is the Strive for 5 Passport?

The **Strive for 5** Passport is an opportunity for you to get involved in activities and experiences inside and outside of the classroom. It is really important that you engage with the extra-curricular and enrichment offer at Hungerhill to ensure you are gaining the most that you can from your educational journey.

We have listed activities linked to each of Hungerhill's core values and assigned points to each of the activities. Throughout the year, you need to get involved in as many opportunities as possible, whether that be in school or outside of school. Once you have completed an activity, record this in the relevant activity area of your Passport and ask a member of staff to sign this activity off: either the member of staff who has facilitated you completing the activity or your form tutor (make sure you have the necessary evidence). For example, if you have volunteered to bag pack at the local Tesco to raise money for your football team, complete a row in the Care section and take a photo of you doing the activity to your form tutor to have the activity signed off. You can only gain points from each activity once over the year, even if you repeat the activity.

Once you have reached the rewards thresholds as shown below, take your passport to the **Strive for 5** Friday desk to be verified and for your reward certificate and prize to be generated.

### Rewards

There are rewards for students who reach each threshold, but the real reward is that our young people grow in attitudes, abilities and responsibilities through developing our core values in themselves. At the end of the school year, your achievements in reaching each level will be formally recognised.

**Level 1** – 20 points (*from 2 or more core value areas*) – **Certificate and badge**

**Level 2** – 40 points (*from 3 or more core value areas*) – **Certificate and badge**

**Level 3** – 60 points (*from 4 or more core value areas*) – **Certificate and badge**

**Level 4** – 80 points (*from all 5 core value areas*) – **Certificate, badge and £10 voucher**

**Level 5** – 100 points (*from all 5 core value areas*) – **Certificate, badge and £20 voucher**

# Excellence

“We are what we repeatedly do.  
Excellence, then, is not an act, but a habit”  
Aristotle

*We embrace excellence and seek to improve.*

Action	Points	Evidence completed	Signed off by staff	Date
