

29 March 2023

Dear Parents/Carers,

Re: Year 11 Easter Intervention – Make Every Minute Count

Further to our previous communication, I write with further details regarding the Easter intervention sessions being held over the holiday period. Please pay particular attention to which students are invited to attend on the various days. This is a comprehensive offer, with us able to offer some additional support during this holiday period for most subjects. As I am sure you will appreciate there is a limit to the capacity available during this time and we are grateful for the staff able to offer their time during this holiday period. These sessions are a part of our ongoing intervention programme, alongside the period 6 sessions offered each week and the ongoing promotion of Home Learning. The introduction of GCSE Pod is also a valuable tool for students as they prepare for their final examinations.

MATHS – Each student has been provided with a bespoke pack of learning activities to target their learning gaps based on their recent mock exam.

WEEK ONE

Monday 3 April

Engineering Design – 9.00am-3.00pm – This session is for Mr Korobka's classes only.

Food and Nutrition – 9.00am-3.00pm – This session is for all students who study this subject.

Geography – 10.00am-12.00pm and 1.00-3.00pm – These sessions are for students targeting a grade 7 or above.

IMedia – 9.00am-3.00pm - This session is for all students who study this subject.

Tuesday 4 April

Engineering Design – 9.00am-3.00pm – This session is for Mr Davies' class only.

Psychology – 12.00-3.00pm – This session is for all students who study this subject.

Sports Science – 9.00am-3.00pm – This session is for students who still have elements of coursework to complete. Mr Hacking will have notified students who will benefit from attending.

Wednesday 5 April

Modern Foreign Languages – there is a session for all students, but please see below for more details:

WEEK TWO

Tuesday 11 April

Science – 9.00am-10.30am – **Chemistry** – This session is for all student studying the separate sciences (Triple Science).

Science – 9.00am-10.30am – **Physics** – This session is for students in set A3.

Science – 9.00am-10.30am – **Biology** – This session is for students in set B3.

Science – 10.45am-12.15pm – **Chemistry** – This session is for sets A3 and B3

Science – 10.45am-12.15pm – **Biology** – This session is for separate science students (Triple Science) in the 'A-Sector'

Science – 10.45am-12.15pm – **Physics** – This session is for separate science students (Triple Science) in the 'B-Sector'

Further intervention sessions for Combined Science students will resume during period 6 lessons and through the use of GCSE Pod

Wednesday 12 April

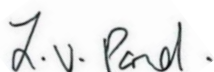

English – 9.00am-3.00pm – These sessions will be available to all students

Friday 14 April

Sports Science – 9.00am-3.00pm – This session is for students who still have elements of coursework to complete. Mr Hacking will have notified students who will benefit from attending.

Thank you for your continued support. The students in Year 11 continue to be a real credit, demonstrating great resilience as they strive to achieve their very best despite the additional challenges they have faced over the last two years.

Yours sincerely

Mrs L Pond
Headteacher

Mr P Storey
Deputy Headteacher

Mrs J Laidlaw
Deputy Headteacher
