Dear Parent/Carer

MUSIC PROVISION 2023-2024

At Hungerhill, we very much encourage our pupils to play music and can offer tuition in a wide choice of musical instruments. Whether your child has a current interest in music or not, we hope that they will find our music department has something for them. The instruments we have on offer are violin, viola, cello, double bass, flute, clarinet, saxophone, trumpet, trombone, tenor horn, baritone, classical guitar, electric guitar, bass guitar, acoustic guitar, ukulele, drums, voice, keyboard and piano.

The cost of lessons for the 2023-24 academic year will be £306 per pupil, per instrument. We ask for a non-refundable deposit of £153 to be paid by **Friday 19 May 2023**, with the remaining £153 balance to be paid by **Friday 6 October 2023**. Please note that the loan of instruments takes place through the music service, for which there is an additional charge, and this is not part of the contribution that you pay to the school. The charges will be reviewed annually, and any changes will depend on future costs of the music service and the school budget situation. Pupils in receipt of free school meals will receive free instrumental lessons for one instrument.

With regards to the initial deposit due by **19 May 2023**, payment over the phone is the preferred method, please dial 01302 885811 and choose option 3 for finance. If there are any problems with this payment method, please email finance@hungerhillschool.com to discuss alternative arrangements. We regret that if you do not meet these deadlines, we are unlikely to be able to fulfil your requirements.

If you would like us to book instrumental tuition for your child, could you please show your expression of interest in the first instance by completing the form here: <https://forms.microsoft.com/e/kfhK36SvUf> by **Friday 28 April 2023**.

As the school must give a commitment to the music service to purchase tuition for the whole year, we have to ask you to give us a similar commitment that your child will continue to attend lessons for the full year. If for any reason your child discontinues and we are not able to fill their place, the school will not be able to offer a refund and the second instalment of £153 will still have to be paid if it has not already.

In addition to their instrumental lesson, pupils are also encouraged to attend any extra-curricular clubs relevant to their instrument. These are held at school during lunch times or after school. Pupils are also invited, when applicable, to attend music groups run by the music service.

We are very proud of the musical achievements of our pupils and would like to think that the charges will not prevent any individuals from participating in musical tuition and receiving the benefits and experience that learning to play an instrument provides. If any parents/carers are unable to afford the fees, we ask that you contact the school to discuss what we can do to help.

Yours sincerely

Mrs L Pond
