Dear Parent/Carer

**Re: End of Year Rewards**

We are delighted to announce that we will be running an end of year rewards incentive for **all students** who have shown a great dedication to their studies this year. Hungerhill School feels it is important to recognise those students who consistently strive, on a daily basis, to do their very best.

At the beginning of this year, we offered **every child** who shows a great dedication to their studies a place on the trip, and they were informed that they all had a place on. During the remainder of the year, your child's effort, behaviour, attitude, attendance, and punctuality has been and will continue to be monitored closely and could result in your child losing his/her place if school standards are not upheld.

Medical reasons will be taken into consideration where attendance has been an issue. It is anticipated that the vast majority of students will be eligible for the reward.

Following on from feedback from Parents regarding the costing of a theme park visit we have explored an alternative option that would take place within School. Please see further details as follows:
