

## Post results information

The following post result services are available if you are particularly unhappy about one of your exam results. You should speak with your subject teacher in the first instance, members of staff will be available on results day.

- **Access to script:** Access to a copy script prior to review of marking or to support teaching and learning.
- **Return of original script post results:** Allows you to request the original script after/with a post result service.
- **Clerical check (Service 1):** A check of all clerical procedures which lead to a result being issued. Checks include: all parts of script has been marked, totalling of marks, recording of all marks.
- **Clerical check with copy of checked script (Service 1):** As previously described plus a copy of the script.
- **Review of result (Service 2):** A check that examiners have marked externally assessed components correctly. Changes to marks will only be made where there is an administrative or marking error but not where the original mark is reasonable. This is in line with Ofqual's review of marking guidelines. The review will also include the clerical checks detailed in service 1. **Please note: Marks can go down as well as up – You could end up with a lower grade. Reviewers will not remark the script. They only act to correct any errors identified in the original marking.**
- **Review with copy of post results amended script (Service 2):** As previously described plus a copy of the reviewed script

Fees are payable per candidate, per paper. Some subjects have more than 1 paper.
