

20 July 2023

Dear Parent/Carer,

**Re: Year 6 Maths and English**

We are delighted to welcome your child to Hungerhill School. We hope that they have enjoyed transition week and the chance to sample Maths and English at Hungerhill.

On Wednesday 5 July, all students were given a Maths booklet to support the start of their journey at Hungerhill School in September. We encourage all students to look at and attempt the work within the booklet over the summer to give them a head start when they start in September.

In this booklet, there are a range of questions from key topics that the students will have seen in Year 6 and will be helpful for the start of Year 7.

Each topic will three sections:

- Introduce questions are warm-up questions to practise the basics.
- Strengthen questions build your knowledge in key concepts.
- Deepen questions are more challenging reasoning and problem-solving questions.

There will be a grid to help students keep track the progress in each topic.

The students are to bring in their booklets to their first Maths lesson to be part of a prize draw.

Please see below a recommended reading list for English, again, any reading for pleasure over the summer will impact on future academic success as well as promoting a love of reading.

Book	Author
A Shiver of Snow and Sky	Lisa Lueddecke
Flesh and Blood	Chris Priestly
I Am Malala	Malala Yousafzia
Matilda	Roald Dahl
Northern Lights	Philip Pullman
Refugee Boy	Benjamin Zephaniah
The Boy in the Striped Pyjamas	John Boyne
The Graveyard Book	Neil Gaiman
The Princess Diaries	Meg Cabot
Toto the Ninja Cat	Dermot O'Leary

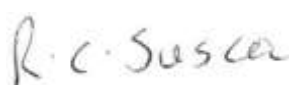

War Horse	Michael Morpurgo
Young Sherlock Holmes	Andrew Lane

We appreciate financial implications of the above so would recommend using the local library.

Your sincerely

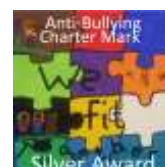

Mrs K Scarth  
**Curriculum Leader of English**

Mrs R Susca  
**Curriculum Leader of Maths**

Mrs M Porter  
**Maths Lead Practitioner**
