Dear Parent/Carer

Re- Year 7 Biometrics Collection

Unfortunately, we have encountered an issue with our new cashless catering software, and due to this we are now unable to conduct the biometrics screening we had planned for Monday, instead this will be done on Tuesday during the first day of school.

Following school enrolment on Tuesday you will receive an email from the school with instructions for you to register an account with iPayimpact, which is the school's new online payment platform. Depending on the speed of software synchronisation, this email maybe received on Wednesday. We recognise that parents will not be able to pay for school dinners until registration has occurred, and as a result we have given all year 7's an 'overdraft' of £10 to cover this grace period, so that they can have a school dinner this week. Any arrears will then need to be repaid once your child is registered and you can make payments to their catering account. We apologise for any inconvenience this has caused, but this is unfortunately out of our control.

We hope you have had an enjoyable summer and look forward to welcoming your child on Tuesday 5 September.

Yours Sincerely

Mrs L Pond
Headteacher
