Dear Parent/Carer,

Re: Standards and Expectations - Nails and Eyelashes

In follow up to our letter circulated last week regarding standards and expectations, we would like to reiterate the section regarding nails and eyelashes. We are seeing a growing number of students attend school wearing false eyelashes/false acrylic nails. As part of our uniform policy, we have a zero tolerance towards either.

From Monday there will be heightened checks carried out. Any students found to be wearing either of these items will be allocated the appropriate sanction and may be placed in isolation until this has been rectified.

As always, we thank you for your support with this matter.

Yours Sincerely
