

Mechatronic / Multiskilled Apprenticeship

Doncaster Plant

Role description

Are you looking for an exciting development opportunity within the Engineering field?

The Doncaster business unit has manufactured glass containers since 1968 and is part of a leading supplier in glass packaging solutions for the world's leading brands such as Coca Cola, Corona and Nestle. We are seeking to strengthen our team with the recruitment a number of Apprentices at Ardagh Glass Doncaster.

Our apprenticeship programme gives you the opportunity to experience all engineering departments within the plant whilst attending college, gain a nationally recognised qualification & carry out workplace training in a challenging yet exciting manufacturing industry!

Responsibilities:

- Assisting the engineering teams with maintenance tasks to learn about the application of engineering
- Developing skills in Electrical/Mechanical engineering within a manufacturing work environment
- Gaining a sound knowledge of the plant equipment and facilities
- Developing an understanding of Continuous Improvement
- Familiarisation with the company's systems and procedures
- Sourcing and updating engineering documentation and inputting engineering activities into a maintenance system

Required skills / qualifications:

- Have an interest in manufacturing engineering
- Have strong communication skills and an ability to work as part of a team
- Have a high regard for safety, quality, compliance, systems and procedures
- A technical mind with a methodical approach to tasks and problems
- Have a minimum grade 4 (C) GCSE or above in Maths, English and Science

What we offer

- Salary Minimum Year 1 £12,913.58 - £22,138 Maximum Year 4 *Increase to salary is due once wage award is confirmed.
- Salary sacrifice pension scheme with up to 10% matched contributions
- Monday to Friday, 37 hours per week., plus 25 days holiday + 8 statutory holidays
- An environment where we support the development and progression of our employees, tailored to the individual's aspirations and business opportunities
- Health and wellbeing initiatives, such as Occupational Health and cycle to work scheme
- Family friendly policies and Company Sick Pay, after qualifying period
