Dear Parent/Carer,

**Re: Year 7 Team Building Mornings – Friday 4<sup>th</sup> October & Monday 7<sup>th</sup> October 2024**

I hope this letter finds you well. On Friday 4<sup>th</sup> and Monday 7<sup>th</sup> of October, Year 7 students have the exciting opportunity to take part in team building events. The aim of these is to develop student confidence and interpersonal skills, and for our students to have a brilliant and memorable experience so early in their time at our school.

Year 7 students will be given further information in assembly on Monday and through the weekly Student Bulletin.

Students in Form Groups **7H, 7U, 7N and 7G** will have their Team Building event on **Friday 4<sup>th</sup> October**. Students in Form Groups **7E, 7R, 7I and 7L** will have their Team Building event on **Monday 7<sup>th</sup> October**.

Each event will run from 9am until noon, during which time students will rotate around four 45-minute team building activities. The activities will be led by Hungerhill staff, and each form group will be further supported by their form tutor throughout the morning.

Students need to come to school in their Hungerhill PE kit on the day and they will remain in that kit all day. Students need to bring their equipment for their normal period 4 and 5 lessons. Please ensure your child has a drink and snacks and their inhaler if they need one. If your child is unable to take part due to injury or illness, please provide them with a note in their planner.

One of the activities involves an inflatable assault course that will be provided by a qualified external company. For this activity we do require parental consent. You can give this using the link below. Unfortunately, students without consent will have to sit that activity out, which would be a shame as we want all our learners to further develop their skills whilst having a fantastic time. **Please note that all consent must be given by Tuesday 1<sup>st</sup> October.**

If you have any further questions regarding the Year 7 team building events, please contact me using the contact us section of the school website.

Many thanks for your support; we are looking forward to an exciting day for our Year 7s.

Yours sincerely
