23 October 2024

Dear Parents/Carers,

Re: Home Learning

We hope this letter finds you well. We are writing to share an update regarding our Home Learning Policy.

Based on valuable feedback from both students and parents/carers, we have decided to limit home learning tasks to a duration of 20 minutes per subject. We believe this change will help ensure that our students have a balanced workload that supports their learning while allowing them time for other important activities and rest.

Benefits of the Updated Policy

- **Enhanced Focus:** Shorter home learning tasks will help students concentrate better and produce quality work.
- **Time Management:** Students will develop better time management skills, as they balance home learning with other commitments.
- **Reduced Stress:** Limiting home learning duration will contribute to lower stress levels, promoting overall wellbeing.

We will be implementing this updated Home Learning Policy starting from 4th November 2024. We will closely monitor the effectiveness of this policy and welcome your feedback to ensure it meets the needs of our students.

May we take this opportunity to thank you for all your hard work and support in getting your child to complete their home learning; it is much appreciated.

If you have any questions or queries about this, please do not hesitate to contact us using the contact us form on the school website.

Many thanks again for your ongoing support.

Yours Sincerely

Mr J Ryan
Senior Assistant Headteacher

Mr D Stanley
Associate Assistant Headteacher
