

8 January 2025

Dear Parents/Carers,

**Re: Mock Examinations**

I hope this letter finds you well. I wanted to share some important information about the upcoming mock examinations for our Year 11 students.

- **Start Date:** Monday 10th February
- **End Date:** Friday 28th February

These mock exams are a fantastic opportunity for our students to get a feel for the real GCSE exams. They'll help highlight areas where students are doing really well and where they might need a little extra help.

**What's Next?**

- We'll be sending out a detailed exam timetable soon, so please keep an eye out for that. It will help your child get organised and ready and will enable you and them to see which examinations are scheduled on what days.
- Encourage your child to start revising now. Maybe sit down together to create a study timetable that works for them.
- Encourage your child to attend the subject interventions they have been invited to at lunchtime or after school.
- Our teachers will be offering tips on revision techniques and stress management to help our students shine during their mock exams.
- We're always available to answer any questions or provide extra support in the lead-up to the exams.
- If you have any questions or just want to chat about the exams, feel free to get in touch with our Head of Year 11, Mrs Archibald or your child's subject teachers who will be only too happy to help.

We will, of course, be in contact with any further information for Year 11 as we go through the year. As a reminder, the provisional dates for this year's GCSE examinations are from 5<sup>th</sup> May to 20<sup>th</sup> June, 2025.

Many thanks for your continued support and partnership. We're rooting for all our Year 11 students and wish them the very best in their mock exams!

Warmest regards

Mrs K Crawford  
Headteacher
