Dear Parents/Carers,

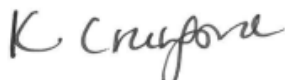

I hope this letter finds you well and that you and your family have enjoyed half term.

Whilst students behaviour in school is generally excellent, unfortunately, it has been brought to our attention that there have been instances of anti-social behaviour involving some of our young people in the local community. As you know, as a school, we take our responsibility in shaping students into respectful and responsible human beings very seriously, and we are committed to working in partnership with parents and the wider community to address this issue.

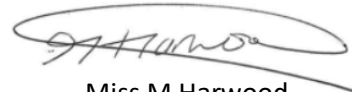

In response, we are reinforcing our expectations around positive behaviour and respect in the local community through our assembly programme and in form time. While we are addressing this matter in school, we kindly ask for your support in reinforcing these messages at home. We encourage you to speak with your child about their behaviour in the community, the company they keep, and the importance of showing respect for others. Your involvement plays a vital role in ensuring that all young people contribute positively to our local area, and we are extremely grateful for the support you can offer.

We appreciate your cooperation in working together with us to uphold the values we all wish to instil in our children. Thank you for your continued partnership in fostering a safe and respectful community for everyone.

Yours sincerely,

Mrs K Crawford
