

25 April 2025

Dear Parents/Carers,

Re: Update on Class Charts Reward Store – Transition to Vouchers

I am writing to inform you of the upcoming changes to our Class Charts Rewards Store. From April 2025, we will be transitioning from offering physical products to a voucher-based rewards system. This change is designed to provide students with greater flexibility and the opportunity to save their points for higher-value rewards.

At the end of each academic year, students will be required to exchange the majority of their points (rounded-up figures) for vouchers. These vouchers will have long expiry dates, allowing students to either redeem them immediately or save them up for larger purchases in the future. Students need to simply visit the rewards store on Class Charts and click the voucher they wish to exchange for their points. They then visit Mrs Swales in our finance office to inform Mrs Swales of the voucher brand, amount and store they wish to spend it at e.g. Argos. The Finance team will do the rest.

We believe this new system will make the rewards process smoother and more beneficial for students, giving them more autonomy over their incentives while ensuring they receive meaningful rewards for their achievements.

If you have any questions or require further information, please do not hesitate to contact us.

Thank you for your continued support.

Yours sincerely

Miss M Harwood
Lead Deputy Headteacher
