

6 June 2025

Dear Parents/Carers,

Further to our previous letter about the launch of the Yondr phone pouch system, which is part of our continued efforts to create a focused and distraction-free learning environment for all students, we are pleased to share that the rollout is running smoothly.

Key Dates and Information:

Monday 2 June 2025: Each student was issued with their own Yondr pouch during form time. They are responsible for keeping this safe and in good condition.

From Tuesday 3 June 2025: Students have been required to place their mobile phone in the pouch as they enter the school gates each morning, prior to registration.

To support the transition, we have been implementing a staggered end to the school day to allow students to familiarise themselves with the unlocking system. These staggered finishes will now continue for an additional week, commencing Monday 9 June 2025, to ensure all students become fully proficient with the system.

Please note that the staggered end times have been amended as follows:

- Year 7 – released at 3:10pm
- Year 8 – released at 3:10pm
- Year 9 – released at 3:00pm
- Year 10 – released at 3:00pm

Year 11 will continue to leave at their usual time and will not be required to use the Yondr system due to their exam schedules.

We appreciate your ongoing support in helping us maintain a positive and productive school environment. Many thanks for your continued co-operation.

Yours sincerely

Miss M Harwood  
Lead Deputy Headteacher
