Dear Parents/Carers,

Re: Learning Journeys

We hope this letter finds you well.

We would like to take a moment to thank you for the thoughtful feedback you continue to share with us. One of the things we value most as a school is the strong partnership we have with our families, and your insights play an important role in helping us make Hungerhill the best possible environment for our students.

A number of parents have recently told us that they would appreciate clearer information about what their child is learning across the year. We understand how helpful it can be to know the themes, topics, and skills your child will encounter, not only to support them at home but also to feel more connected to their day-to-day experiences in school.

In response to this, we are delighted to let you know that the *Learning Journeys* for every subject and year group are now available on our website. These documents provide an overview of the key learning that takes place each term and are designed to give you a clearer picture of how your child's knowledge and skills will develop over time.

You can find them here:

We hope you find these Learning Journeys useful and reassuring. Thank you again for taking the time to share your thoughts with us; your feedback genuinely helps shape the way we grow and improve. If you have any further suggestions or questions, please do not hesitate to get in touch - we are always happy to hear from you.

With warmest regards

Mrs K Crawford
Headteacher

Mr J Ryan
Deputy Headteacher
