Dear Parents/Carers,

**Re: Year 11 High Stakes 2 Mock Examinations**

We hope this letter finds you well. We're writing to share some important information about the upcoming Year 11 High Stakes 2 mock examinations, which will take place from 19th January to 28th January.

These mock exams form a crucial part of our students' preparation for their final GCSEs. They provide a supportive opportunity for students to practise, build confidence, and demonstrate their learning across a wide range of subjects. As always, the exams will cover core subjects such as English, Mathematics, and Science, along with some option subjects. Individual timetables have been carefully planned to give your child a clear and balanced schedule.

As we approach this period, we want to highlight just how important regular, focused revision is. Effective revision not only strengthens understanding but also reduces stress, boosts confidence, and helps students perform at their best. Even small, consistent efforts at home, such as reviewing class notes, practising exam-style questions, or using revision guides, can make a meaningful difference.

These assessments are a significant milestone in your child's academic journey. They allow us to celebrate the progress they've made so far, while also identifying areas where a little extra support may be helpful before the summer exams. Your encouragement at home plays a vital role in this, and we are incredibly grateful for the partnership we share in supporting your child's success.

If you have any questions or would like further information about revision strategies or resources, please feel free to get in touch. We are here to support you and your child every step of the way.

Warmest regards

Mrs G Singleton  
Assistant Headteacher

Mr A King  
Head of Year 11
